Testing Authorization Request and Information

Eligibility and Information

Any individual wishing to become a licensed Funeral Director or Embalmer in the State of Nevada must take and pass the Nevada Law, Rules, & Regulations (NV LRR) Examination and the Nevada State Board Exam (NV SBE) which are offered through The Conference. If the applicant has taken and passed the National Board Exam (NBE), then only the NV LRR is required. In order to obtain authorization to take either the NV LRR or NV SBE, applicant must submit this form to the Board with \$100 for each test. Additional fees for testing are charged through The Conference. A study guide for the State Board Exam is available through The Conference and the NV LRR study guide can be obtained through this Board for an additional \$25 fee.

In order for the Board to authorize either test, the applicant must complete this form and submit with any applicable fees. Once this form and payment is received by the Board, authorization will be forwarded to The Conference within 10 days and the applicant will then visit www.theconferenceonline.org to register and schedule testing.

Required Documents

Completed Testing Authorization Form

Payment - \$100 per test; \$25 for NV LRR study guide
